

FACTS REGARDING OUR EFFORTS TO PROTECT THE PRESERVATION OF THE U.S.P.S.

- The U.S.P.S. is a public service that is outlined in the U.S. Constitution. We are a self sufficient, non-tax paying entity!
- The U.S.P.S. is not funded by tax payer dollars. Why are people attempting to destroy the greatest and cheapest postal service in the world?
- Wall Street and the banks received a bailout, but the U.S.P.S. does not need one. We just need to be reimbursed for the over-funding of our pensions which totals some \$75 -100 billion.
- U.S.P.S. over-funded \$\$\$ are not available because it has been used to bail out banks, Wall Street and to fight wars.
- Mail service is free. It is a service for the people worked by the people.
- U.S.P.S. should not make a profit, it is only required to break even.
- No post office should ever be closed.
- Mail service should never be reduced from a 6-day delivery schedule.
- We the people own the U.S.P.S. – *Don't let anyone take it away from us!*
